DIRECTIONS TO THE ANTEATER INSTRUCTION & RESEARCH BLDG. (AIRB)
CENTER FOR ENGAGED INSTRUCTION

FROM ON-CAMPUS: AIRB is located on the corner of Engineering Service Rd. & E.Peltason Drive. If coming from Campus Drive, turn into the campus & proceed to Anteater Drive. Turn right into the parking structure. Park on level 2. If walking, go to Engineering Gateway and walk through to the street (E. Peltason). Turn left onto E. Peltason & proceed to Engineering Service Rd. Cross the intersection of E. Peltason & Engineering Service Rd. to the building immediately in front of you on the left.

FROM OFF-CAMPUS: If coming from Bison proceed to E. Peltason Drive. Turn right. Continue past the stop sign (Los Trancos) and the crossing light. Either proceed to the Anteater Parking Structure, as above, or turn left onto Engineering Service Rd. and park in the first lot on your right (if you have the appropriate parking permit).

See maps on next pages.
Anteater Instruction & Research Bldg., Center for Engaged Instruction (CEI) (Suite 3000, turn right once off the elevator). To get to the Video Tele-Conference Room, turn left out of the elevator.
